

The Theme - Love is our Mission
our Family Fully Alive

Catholics Got it Right with Families

Families - When done Best (Exception)
Engage Mother & Father under one Roof

* Important Lesson Life taught

- o Interdependence
due to differences - that
includes Gender.

- o compassion

- o success failure w/in
unconditional love

- o Reliances

- o confidence

- o stability

- o dignity

- o Loving Rightly

As the United States is falling behind
in so many areas -

We lead the World Family Frag.

Family Fragmentation
o Define

This Week - Political Debate

#Issue National Security

① ISIS

② Global Warming

I say Neither - the immediate biggest
threat - is F.F or more
truthfully the breakdown of
the family

1950 - 85% Bio Mom: Dad

Grew up with 8 is enough
Don Quales warning
Morchy Brown

Our kids get 2: half men
Adrian Peterson

40% Amer. Babies out
30% Anglo
50% Hispanic
70% African Amer
mn 85% Black babies

Divorce Rate 40-50 Stable
of Cohabiting has Sky Rocketed

75% ^{Anglo} white > 2 parents
86% Asian not bio Parents
67% Hispanic
37% Black

Growing up not easy Best Circumstance
to inflict Addition hardship

↑ Drug Abuse early Sexual initiation
criminal behavior educational
mental illness Short Coming
physical illness

CSS

Dr. Mitch Pearlstein -

"I know of no aspect of life in
which children who grow up in Broken
or Never-formed 2 parent Families
do as well on average, as boys & girls
who grow up w/ both Parents"

Class system of the Future
